

**'SERVING PATIENTS IS SERVING GOD'**

## **MESSAGE FROM THE FOUNDER**

**Dr. K.H. Sancheti**  
Ph.D (Ortho), MS (Ortho), FRCS  
**Founder & Professor Emeritus**

*In my 6<sup>th</sup> decade of medical profession, I derive great pleasure in welcoming the M.S.Orthoedics 2024-2025 batch in Sancheti Institute for Orthopaedics & Rehabilitation (SIOR).*

*With pride, I assure you that you have landed in a Premier Ortho Institute, with outstanding faculty and infrastructure that makes an excellent environment required for ideal teaching / learning progression. We not only measure up to NMC/MUHS standards but exceed those in every aspect.*

*In order to become a good medical practitioner, one has to be a good human being first. It is my personal experience that anyone with sincerity, commitment, dedication and relentless efforts can work wonders in life. Put in your relentless effort and I assure you that SIOR will make you an orthopaedic surgeon to reckon with.*

*Have belief and faith in your potential to scale greater heights in profession. The more you sweat during your residency period, the shorter shall be your learning curve.*

*You will be put through rigorous teaching / learning schedule that will work to develop your knowledge & skills to perfection.*

*You will walk out of SIOR after three years, beaming with confidence to face the world as an Orthopaedic Surgeon.*

*Best wishes for your residency.*
